New Compact Single Sound Bar Series from Sony Delivers Serious Sound in Stylish and Slim Design

- Deep bass and wide surround sound field from the compact Sound Bar HT-S200F with the built-in subwoofer and S-Force PRO Front Surround
- This compact stylish Sound Bar blends easily into your living space

Hong Kong, April 27, 2018 – Sony’s new Compact Single Sound Bar series gives you that cinematic sound feeling from the comfort of your own sofa, and will look good too as it’s designed to complement any piece of furniture it’s placed on. Pick a movie or TV program to watch and you’ll hear all the low frequency sounds and clear voices, from the 2.1ch Compact Sound Bar HT-S200F and no separate subwoofer.

The slim stylish Sound Bar HT-S200F has a built-in subwoofer as well as Dolby Digital which produce unparalleled sound for your living room. The inclusion of S-Force PRO Front Surround in this compact bar allows you to feel like you’re surrounded by speakers without wires trailing around the room.

Simple connectivity

Keeping the area clean and tidy, the HT-S200F benefits from simple connectivity to your TV via one cable HDMI ARC or Bluetooth^{®1}. It can also wirelessly connect to other smart devices by

¹ As for Bluetooth[®] connection, BRAVIA[®] supporting Bluetooth[®] A2DP (A2DP (Advanced Audio Distribution Profile)) is needed.

Bluetooth® technology. Alternatively, for those moments when you want to quickly connect and instantly play a song, the S200F has the handy feature of a USB input which allows you to connect USB device for easy playback.

Sony also introduced the 2.0ch Compact Single Sound Bar HT-S100F which comes with a built-in tweeter and similar features as the HT-S200F except the built-in sub-woofer.

The perfect match

The compact sound bar design is an all-in-one, stylish solution that fits in with your interior decoration without compromising on sound quality. Perfect for smaller living spaces it will easily fit on shelves or a console table placed either in front of or beside the TV. The materials used, such as the leather look top and piano black sides, have been put together to seamlessly blend in and match your style.

The new 2.1ch Compact Sound Bar HT-S200F and 2.0ch Compact Sound Bar HT-S100F from Sony will be available from end of April 2018 at HK\$2,290 and HK\$1,990, respectively.
